

*The Grafton Public Library
and the Hogwarts School of Witchcraft and Wizardry
present the 2020 Winter Reading Program:*

Reading is Magic

We are pleased to inform you that you have been accepted to participate in the Reading is Magic Winter Reading Program. Please find enclosed a list of all necessary books and equipment. The Winter Reading Term will begin December 1, 2019 and continue to March 31, 2020.

- 1.) Stop by the Grafton Public Library, and pick up your Hogwarts letter and a lanyard in your house colors (while supplies last).
- 2.) Participants have from December 1, 2019 to March 31, 2020 to earn up to 10 badges by completing tasks and reading challenges. Tasks can be completed by attending Library programs or by reading and/or listening to books.
- 3.) Once a task or reading challenge has been completed, stop by the Library with your Hogwarts letter to receive your badge.

Complete information on individual challenges, programs and workshops will be available at grafftonlibrary.org/wrp and on the Library Event Calendar: grafftonlibrary.org/events. Information, dates and times are subject to change. Workshop registration will begin two weeks prior to the event.

House Cup

Earn points for your favorite house by donating pennies and dollars into their jar at the Grafton Public Library.

Subtract points from other houses by adding nickels, dimes, and quarters to their jar.

The house with the most points on March 31, 2020 will win a special house cup badge. Donations will be given to the Grafton Public Library Capital Campaign to defray capital expenses including but not limited to Library construction and renovation, building maintenance and upkeep, furniture, fixtures, and equipment.

Reading Suggestions

To count towards the reading challenge, books must be read during the Winter Term. The same book cannot be counted towards more than one reading challenge. If you are looking for suggestions for books based on the reading challenges, visit: grafftonlibrary.org/wrp
