2023 is going to be your year!

Why not try to learn a new language? Write a book or graphic novel. Haven't you always wanted to learn how to cook?

Visit the Grafton Public Library for help and resources to help you achieve your goals for the new year.

Saturday, December 31st
11:30am-1:00pm

One of our most popular programs is back! Join us in our big community room for a kid-friendly New Year's celebration. They'll be music, dancing, bubbles, photo opportunities, and a special countdown at 11:59am.

This is an all-ages program but does skew toward the toddler crowd. Fancy dress is not required. Drop-in.

Parents of school-aged children, we'd love your feedback on what type of programming to offer.

Please fill out this form and let us know what you'd like to see at the Grafton Public Library.
Have you met Jack? Watch him all month as he decomposes and turns into something new!

We've added to our winter wonderland. Make sure to stop in to see what is new!

Our Holiday Hunt continues in January. Can you find all the hidden items in the children's room?

What was your favorite December feature?

- Holiday hunt
- Arctic Animals
- Mitten Match
- Sensory Table
- Winter Art
We are delighted to see so many students who want to use the Library after school, but must remind parents of our *Unattended Child Policy*:

- youth ages 0-7 must be accompanied by a parent/guardian at all times;
- youth ages 8-12 must be accompanied by parent/guardian remaining in the Library;
- youth ages 13+ may be unaccompanied, provided your child is able to use Library independently and follow the *Library's Code of Conduct*.
